

For Immediate release

One single exclusive source for KLEMATCH® and Vector® Rubber cushions

SumiRiko Industry, Decize France,
HCSB, Ranst, Belgium,

After a fruitful cooperation which resulted in the development of the Vector® Billiards-cushion brand, SumiRiko Industry France and HCSB have decided to further strengthen their partnership by creating a single source for their KLEMATCH® and Vector® cushion brands.

With immediate effect,

HCSB is your worldwide exclusive source for all KLEMATCH® and Vector® rubber cushions for Carom, Pool and Snooker tables.

Eric Volle, General Manager of SumiRiko Industry France “We are certain this will be an improvement for the customer-service as well as for the further technical development of our rubber cushions.”

Ian Martens, HCSB sales manager, will be the contact-person for all your KLEMATCH® and/or Vector® Cushion needs and questions. “We are very excited to add the famous KLEMATCH® brand to our portfolio and we will introduce new profiles for Snooker and Pyramid tables in the next few months.”
